CRISTOBAL TORRES

Technical Lead | Software Engineer

📞 +525585628984   @ E-mailctmelgoza@gmail.com   🔗 https://ctorres.lat   📍 Hermosillo, Sonora

EXPERIENCE

Technical Lead

Raffoom Digital LTD

📅 10/2021   📍 Remote

- Designed and developed a library of UI components that we used in all the Systems for our company, resulting in back-office systems for management of games of skill and raffles
- Increased application stability, addressing bottlenecks proactively to minimize downtime occurrences
- Implemented automated testing frameworks, significantly increasing speed and efficiency of software development lifecycle
- Managed a team of 5 developers through different technologies (React, Net and PHP) services for deployment of Gaming Apps

Technical Lead

Rank Interactive LTD

📅 10/2018 - 10/2021   📍 Remote

- Developed and maintained 12 gambling websites for DAUB GAMING, migrating all websites from a legacy JS + PHP architecture to Angular and Node microservices
- Mentored junior developers through regular 1-on-1 meetings, providing guidance on best practices, coding standards, and career growth opportunities
- Implemented continuous integration and deployment strategies for faster release cycles and improved application reliability
- Coordinated with stakeholders to define project requirements, ensuring alignment with business goals and customer needs

Senior Web Developer

CENFES A.C.

📅 05/2016 - 10/2018   📍 Mexico City, Mexico

- Updated technical stack from a legacy Perl based system to a decoupled PHP system with Vue on its front-end, resulting in a more maintainable and scalable architecture
- Streamlined development processes by introducing automation tools and continuous integration practices
- Mentored 3 junior developers, sharing industry best practices and fostering a culture of continuous learning
- Delivered high-quality documentation for developers, administrators, and end-users to support the ongoing success of projects
- Improved website load times by optimizing front-end code and implementing efficient caching strategies

SUMMARY

Full Stack Developer Experienced professional in IT with over a decade of diverse experience. Skilled in navigating challenges by continuously learning and adapting. Known for achieving rapid completion metrics by leveraging skills and technical assets. Adept at building collaborative teams and fostering strong employee relationships to deliver tailored solutions.

KEY ACHIEVEMENTS

💎 **Team Leadership Success**

Led 12 developers to successful deployment of 12 gaming sites in 3 months.

💎 **Performance Optimization**

Increased website performance by 35% through code optimization and caching strategies.

💎 **Website Migration Efficiency**

Migrated 12 websites, reducing downtime to less than 1% monthly.

💎 **Documentation Excellence**

Increased developer onboarding efficiency by 30% through comprehensive documentation.
